Healing the Gulf

The One Life that created all things from within Itself contains all knowledge. From that knowledge is drawn now the remedy to the oil spill in the Gulf of Mexico. All life everywhere embraces this knowledge as it communicates itself through the minds, hearts, and hands of those best positioned to make use of it, fix the problem at hand, and clean up its remnants. As this occurs, new sources of clean, healthy energy are likewise made known in an atmosphere of mutual appreciation and cooperation, free of blame or other emotional debris. For this word and its manifestation in form we all give thanks.

CREATIVE LIFE Spiritual Center

"I never knew there was a place that teaches what I've always believed!"

**5326 Spring-Stuebner Road
Spring, Texas 77389-4574**

Creative Life is a spiritual community in suburban Houston, Texas, teaching and living the Science of Mind, a transformational path first articulated by the American philosopher **Ernest Shurtleff Holmes** (1887-1960).

We have activities for all people and interests, and welcome everyone, especially those for whom traditional Western religion has seemingly had no place. Serving greater Houston since 1985, Creative Life is a member of the *United Centers for Spiritual Living* (formerly known as the United Church of Religious Science), which dates from 1927. "Science of Mind" and the circle-and-v symbol are registered trademarks. Membership in our Center is a statement of your commitment to your own spiritual process, using the principles taught here as a springboard, as well as a way of shaping our Center's collective future and enjoying a symbiotic, caring relationship. No prior spiritual affiliation need be renounced in order to join us. Membership request cards can be found in the Great Hall vestibule, bookstore, or requested by mail.

Yoga for Real People

Sonya Nelson

Rather than resist the July heat, why not embrace it and the fantastic benefits that come from a great detox? On a small scale, sweating burns calories and improves cardiovascular activity. Deep sweating helps the body cleanse itself and replace dead cells. It clears bacteria out of the surface layers of the skin and the sweat ducts improving circulation and giving the skin a fresh look and feel. Best of all, it removes toxins from our bodies that have been ingested from the environment and our diets. In Forrest Yoga, we dive deep into our yoga practices stoking our internal flames resulting in detox. Come improve your immune functions with us every Thursday morning from 9:30-10:45am in Katherman Hall, with CLC practitioner yoga instructor **Sonya Nelson**. No one is ever asked to work beyond a level that is safe and appropriate for them. Wear loose, comfortable clothing and do not eat two hours prior to class. Drop in to any class for \$15.

SUMMER EVENTS for WOMEN

Heartfelt Speaking Playshop

If you have ever found yourself paralyzed by public speaking or even the thought of it; or, you've been tongue-tied when you are in a class or social situation; or, you keep quiet because you are afraid you won't say the "right" thing, will lose your focus, or ramble on way too long... then this *play-shop* is a *safe-shop* for you! Come be with other women who are ready to surprise and amaze themselves with inner grace that is on the edge of flowing with authentic expression. Find your creative voice as you let go of the fearful "shaking in your boots" and, have some fun and great laughs along the way. You will give way to a new found confidence, expanded playfulness and creative articulation, all of which have been buried way too long. Practice being yourself as you discover the brilliant speaker and listener inside of *yourself*. Whahoo! Open to all women. Friday, July 9, 7-9pm, and Saturday, July 10, 10am-5pm, in Katherman Hall. Facilitated by minister **Marsha Lehman**. Cost is appreciative giving. Please bring a sack lunch for Saturday. Sign up in Builder's Hall.

marsha.lehman@creativelife.org

Midsummer Day of the Goddess

This day is dedicated to evoking the energy of the Goddess Pele. This is the energy we define as inner fiery, volcanic, eruptive energy...oh, yeah! This is the vibrational energy that will not allow us to do anything in a haphazard or half-way manner. We come together to once again touch the desires of our heart, to give our focus to the creative dreams that are to be birthed out of our fiery passion. This day is in three parts: We will open with the Green Fire ceremony to clear the way for dreams to emerge with clarity • Then a light lunch around the sharing table where we will share food and our heart dreams • Then we will create Goddess Dolls that will symbolize and be reminders of the creative energy that is ready for each woman's unique use. And, we close with a presentation of our Goddess Dolls and a commitment to being true to ourselves and our fiery, passionate dreams. Facilitators are minister **Marsha Lehman** and practitioner **Aleena-joy Davis**. Saturday, July 17, 10am-3pm, in Katherman Hall. Info: marsha.lehman@creativelife.org

Honduras supply delivery trip

Escape the Houston summer heat: go to the mountains of Honduras — and be of service! A trip to deliver medical and clothing supplies is being planned for the first part of August. Cost is about be \$800-\$1,000 per person. People from medical/dental fields are especially appreciated, forming a medical brigade or assisting in the onsite clinic. Spanish helps, but is not required. Children over age 15 are welcome with a parent. A side trip to the vacation island of Roatan is also an option (at extra cost). Info: **Lynn Ripplemeyer**, (281) 356-7506 or ljripp@comcast.net

Blood Drive

Our next blood drive happens on Sunday, August 29, with a potluck luncheon and the Blood-mobile on site all morning. As we hold these quarterly, you can participate through CLC in the Blood Center’s “Commit For Life” program—go to their site at www.giveblood.org for details. The need for blood products is constantly growing, and it’s a gift only we as people can give to others. Volunteers are always welcome to help; the team leader is **Ruth Catalogna**. YOUTH NOTES

First Sunday

On Sunday, July 4, the 3-6 and 7-10 classes make their way to the Great Hall at the beginning of the service for some very special moments with Rev. Jesse. In the words of Art Linkletter (1913-2010), “Kids say the darndest things!”

Youth director **Debra Morwood** says, “If you have any questions or want to talk with me for any reason, I am in my office in the Youth Wing, upstairs in the Learning Center, from 10:15 until 11:00am on Sundays, or call (281) 787-2761, or e-mail me.”

debra.morwood@creativelife.org

Alive, Aware, Awake class

The focus of this share group is to be fully alive, aware and present. We use the book *Awareness: the Perils and Opportunities of Reality*, by Anthony De Mello, to support our journey to the present. The greatest obstacle to enlightenment is that it happened to someone in the past or it may happen for us in the future. Now is the only point of awakening.

Wednesdays: 5:15pm meditation, 5:30-6:30pm discourse and discussion, 6:30-6:45pm Prosperity Circle: Attracting our Good. No need to register, just show up. Can enter class at any time. Every class is the first class. Offered on a love offering basis Website for AAA Class <http://aliveawareawake.yolasite.com/>. Class blog site is <http://aliveawakeaware.posterous.com/>. A Course in Miracles discussions

A *Course in Miracles* is "a unique, universal, self-study spiritual thought system that teaches the way to Love and Inner Peace is through forgiveness." (www.acim.org) The *Course* states, "Projection makes perception. The world you see is what you gave it, nothing more than that. But though it is no more than that, it is not less. Therefore, to you it is important. It is the witness to your state of mind, the outside picture of an inward condition. As a man thinketh, so does he perceive. Therefore, seek not to change the world, but choose to change your mind about the world." We're in our fifth year of regular weekly meetings, now working through the ACIM Text. With practitioner **Bill MacKenzie** at 7pm Thursdays in the library. Open to all; join anytime. Donation. Details: bill.mackenzie@creativelife.org

Kit Holmes performs

Piano and keyboards are where Kit's natural talents as a musical artist are most apparent. After years of session work and playing in both original

and cover bands, from jazz to rock and country to musical theater, Kit's vocabulary on the keys is extensive. Vocals run a pretty close second, as do guitar, bass, percussion and just about any other instrument she puts in her hands! Recent studio work includes keyboard tracks on Nu-Jazz trumpeter and composer Duane Carter's "Never Say Never" album project and singer/songwriter Janet O'Connor's "Strawberries" album project. Recent sidework gigs include those with legendary bassist Eddie Watkins, Jr., singer/songwriter Betty Soo, songwriter and performer Chris Pfeiffer, jazz vocalist Lisa Clark, the Katie-O Combo, and Las Vegas-based vocalists Richel Kompst and Jay Josephs. Kit is also a member of the New Thought music group, *The Light Travelers*: four independently successful performing songwriters who have joined forces (and about a dozen different instruments) to create "Music to do the world a world of good." Kit visits us Sunday, July 25, at 9:30 & 11.

Center Recordings

Our Sunday services and Wednesday evening talks, are available on CD. **Individual sales:** Each 80-min. CD contains one service, and is \$4. Use

the bookstore clipboard to order, then pre-pay, then come pick up or add \$2 each for mailing. **Mail subscriptions** are \$60 for three mos.; \$115 for six mos.; \$200 for a year; or \$350 for two years, domestic postage included. **POWER UP
WITH POSITIVE Prayer**

What exactly is a “Religious Science practitioner”? Literally, a practitioner is anybody who practices something; our Religious Science practitioners are trained in the *art and science of spiritual support using affirmative prayer*, and are committed to serving your needs. Each has spent literally hundreds of hours in training, to direct natural compassion into helping you through listening, caring, and using spiritual mind treatment — affirmative prayer — to reveal the truth of you that is greater than any apparent limitation. Each is licensed by the United Centers for Spiritual Living, and engages in ongoing study and spiritual development.

Help is Nearby

Our Creative Life practitioners are outstanding spiritual support persons, available to lovingly and confidentially assist you, and are at your service...

- At **prayer circles** Sundays and Wednesdays, in the downstairs meditation room, where requests are received and acted upon in a small group setting, or with the practitioner of your choice in the Great Hall or garden for a quick “meet and treat”...
- **By appointment**, on an individual fee basis for a one-hour session of spiritual support and treatment...
- CLC members receive an annual invitation by mail for a free “**birthday** **checkup**” with the practitioner of your choice (see list at left). Just pick up a form in the Practitioners’ Loft and call for your appointment...
- **More options** requesting and receiving prayer support include using a form on our website by going to www.creativelife.org/links/prayerrequest.php. Further, trained, skilled practitioners await your call to the UCSL World Ministry of Prayer, 24 hours a day, every day at (800) 421-9600 or by email to

prayer@wmop.org

What Practitioners Do

“Let us consider the life of one who has been more or less consumed with jealousy, hatred, bickering and resentment. He has become so isolated that love neither flows from nor to him... If he is rightly guided, either through his own intuition or by someone else, he will begin to travel backward within himself to see where the trouble (for trouble always lies, it never tells the truth). Through faith or understanding he determines to retrace his mental steps, to go back in imagination to the place where he is one with all.”

—ERNEST HOLMES, from *How to Use the Science of Mind*

So practitioners pray for people?

Practitioners treat themselves to know that the good their clients desire is ever-available and moved into form through treatment. The type of prayer we teach is also called “scientific prayer,” as it proposes the universality of God, and therefore no separation between a person and God. We don’t pray to move God into action, but to bring our thinking and feeling nature into alignment with the idea that infinite good surrounds us, in the form of love, harmony, peace, wellness, abundance, and whatever else we can imagine. Much of this aligning comes from a person deciding what he or she really prefers to have happen in terms of life experience. In this, the practitioner assists through stimulating conversation and possibility thinking. Once a clear sight is set on a goal, treatment is then done.
