### JUNE 2019

*I must go down to the sea again,  
to the lonely sea and the sky,  
And all I ask is a tall ship  
and a star to steer her by,  
And the wheel's kick and the wind's song,  
and the white sails shaking  
And a grey mist on the sea's face,  
and a grey dawn breaking.*

*I must go down to the sea again,  
for the call of the running tide  
is a wild call and a clear call  
that cannot be denied;  
And all I ask is a windy day  
with the white clouds flying  
And the flung spray and the blown spume,  
And the sea-gulls crying.*

*I must go down to the sea again,  
to the vagrant gypsy life,  
To the gull's way and the whale's way  
where the wind's like a whetted knife;  
And all I ask is a merry yarn  
from a laughing fellow-rover,  
And quiet sleep and a sweet dream  
when the long trick's over.*

GEORGIE HOLBROOK

**Georgie Holbrook** is an internationally recognized emotional wellness mentor, spiritual guide, holistic educator, author of four self-help books, and her healing story has been published in 23 national magazines. She has held a private practice for over 20 years. Besides private sessions, she has taught her holistic approach at hospitals, colleges and universities, churches, etc., where she has been openly welcomed to share her ideas with their communities.

Georgie suffered for six years with a disease that caused deformity of her face, and near blindness. She discovered the natural building blocks of self-healing that led to a completely drug-free cure. After her self-healing success, Georgie was left with the unique ability to be able to discover the emotions behind health issues, see them as a sacred language, and then interpret them. Once this sacred language is addressed and heard, the healing can begin. Her life-changing 16-point Health and Lifestyle Evaluation Tool has helped people worldwide to find their own natural solutions, learn how to move out of fear, and trust their ability to heal. Georgie has been a Science of Mind student since 1983, and recently moved to Spring to study at Creative Life. She speaks on **WEDNESDAY, JUNE 26, at 7PM**. You can learn more about Georgie's services, including her sacred blessing ceremonies for home and office, at [georgieholbrook.com](http://georgieholbrook.com).

## **Science of Mind QuickStart** class

REV. MORENE

*QuickStart* is a breezy, fun and, yes, quick study of the basics of our teaching and their practical application—especially for our newer members and friends—and a great segue into Center membership and our certificated classes. Topics discussed will include New Thought and world religions • Spirit, mind, emotions and the body • The creative process • Intuition and imagination • Meditation and treatment • What

Science of Mind teaches about various things. Using a very interactive workbook and lots of animated discussion, participants learn and grow together, led by minister **Morene Barker-Morris**. There's a \$5 charge for the workbook, and appreciative giving for the workshop. It happens **SUNDAYS, JULY 21** and **28, 1:00-4:00PM**, in the youth wing. Please sign up in Builders' Hall, or to...

[mbarkermorris@yahoo.com](mailto:mbarkermorris@yahoo.com)

## SUNDAY CIRCLES

Children begin their learning adventures in the registration area in the youth foyer, **10:15-11AM** on **SUNDAYS**, then move to their classes, to be reunited with their parents in the Great Hall in time for the closing song. Some Sundays we offer special theme workshops for the kids, too. Age-appropriate prayer/treatment opens all the classes, and for each class there is age-appropriate discussion of the monthly theme and creative projects to enhance the learning. Just after noon all the teachers and children gather in the reception area of the Learning Center for our closing prayer circle. Then the teachers bring the children to you in the Great Hall. Please remember that no youth are to roam the Center grounds unattended. Our coordinating Sunday minister is **Marsha Lehman** at [xlr8coach@aol.com](mailto:xlr8coach@aol.com), assisted by practitioners **Linda Clesson** and **Marissa Mijal**. Our youth minister and chaplain is **Debra Morwood** at [debramorwood@sbcglobal.net](mailto:debramorwood@sbcglobal.net).

## TEACH OUR CHILDREN WELL...

We teach our children that God is Life—the Life within each of them and in all Creation—that all people are children of the One God, and therefore, are all brothers and sisters. • We teach that God is all-inclusive and we are each created in the image of God—Good. • We teach that God is Love, and we honor God-in-all through love, not fear. • We teach that sin is simply a mistake and when we make mistakes, we are punished by them, not by God. • We teach that God is Spirit and present everywhere, that this Spirit is within us and speaks to us through our minds when we are willing to listen. • We teach that there are spiritual laws that must be understood and followed, just as we follow human laws. • We teach that religion is something to be used every day, not just on Sundays. • We teach that Religious Science is a religion that can be used at home, at school and at play; that since God is within us, heaven is also within us, that is we learn to live our lives in harmony with God's Law, we live in heaven now. • We teach that keeping the mind focused on good causes a richer experience of life. • We teach that God is truth and beauty, peace and harmony; that as we grow to be more like God, our lives will be filled with health, happiness and success. • We teach that nothing is too wonderful to happen, nothing is too good to be true: everything is possible to God through *me* and you!

—adapted from a work by **Dorothy Quigley**

## WHAT WE DO

The CLC Children's and Youth Services Department is devoted to celebrating the spiritual development of each child we teach. All age groups are involved in various activities, workshops, and special projects incorporating the teachings of Science of Mind. We strive to create an atmosphere of love and kindness in our words and actions toward each other and to recognize and honor the diversity of every person.

- **Toddlers** (18 mos. to age 3) are lovingly cared for by our toddler teachers. In their very artistically designed Discovery Room, the children are encouraged to interact and experience their world as only a toddler can. They are offered games, toys, books and other age-appropriate activities in a safe, secure and loving environment.
- **4-6 age group.** Beginning around the age of 4, our toddlers are moved to the Ingenuity Room. This group begins to learn the basics of treatment and the value of giving a smile and a kind word. Our creative teachers provide age-appropriate instruction and activities.
- **7-12 age group** are in the Quimby Room, regularly practicing the steps of Treatment presented in a manner appropriate to their age group. The teachers provide learning tools, creative projects, workshops and other teaching methods to engage each child's learning of the principles of Science of Mind.
- **13-17 age group** meets on the second floor of the Learning Center in the Hopkins classroom. They are engaged in special projects, workshops, have guest speakers and are involved in several volunteer service endeavors at CLC. The teachers working with this group encourage their talents, keep them engaged in learning Science of Mind principles and we throw in some fun along the way!

Each is licensed by the Centers for Spiritual Living, and engages in ongoing study and spiritual development. Have a new goal, an old problem, or a question about applying our teaching? Work with a practitioner and watch what happens!
