SEPTEMBER 2019

The peace which is at the center of your being was not born from human struggle, evolution, or accomplishment. It is something that always existed. It was not given by the world. The world cannot take it away. It remains perfect, exactly what it always has been. It awaits your recognition that you may enter into conscious partnership with it... Above the wind and higher than the whirlwind, enshrined in the heart of God, there is a Voice within you which says: "Peace! Be not afraid. It is I." This is you. This you is God within you. This God within you is peace.

Behrend was the only personal student of Thomas Troward, the master of "Mental Science." Susan Elliott musical guest

Susan Elliott is an award-winning Houston-based vocalist, songwriter, producer, and teacher. She made her solo debut at the historic Anderson Fair in the spring of 2017, and for

more than three decades, she and her late husband and creative partner, **Joe Romano**, were a fixture in the Houston jazz community as the duo Mood Indigo, delighting audiences across the region, performing their original songs for children as The Non-Toxic Band. When Joe was diagnosed with cancer in 2015, Susan found an emotional and creative outlet in songwriting. She describes her music as genre-less, but a background in theater and her long association with the jazz world are evident in both her singing and writing. Harmonically complex, intimate and lyrical, her songs paint a portrait of the human condition, weaving narratives that are both deeply personal and universally resonant. Hear her **SUNDAY, SEPTEMBER 8**.

SUNDAY CIRCLES

Children begin their learning adventures in the registration area in the youth foyer, **10:15-11AM** on **SUNDAYS**, then move to their classes, to be reunited with their parents in the Great Hall in time for the closing song. Some Sundays we offer special theme workshops for the kids, too. Age-appropriate prayer/treatment opens all the classes, and for each class there is age-appropriate discussion of the monthly theme and creative projects to enhance the learning. Just after noon all the teachers and children gather in the reception area of the Learning Center for our closing prayer circle. Then the teachers bring the children to you in the Great Hall. Please remember that no youth are to roam the Center grounds unattended. Our coordinating Sunday minister is **Marsha Lehman** at xlr8coach@aol.com, assisted by practitioners **Linda Clesson** and **Marissa Mijal**. Our youth minister and chaplain is **Debra Morwood** at debramorwood@sbcglobal.net.

Rachel Lino created this event in 2004; now **Melody Berryman** leads it each year, and it has grown to where children changing age groups in our Sunday classes, and all who wish to acknowledge a significant life-passage, are invited to come cross a ceremonial bridge during the Sunday celebration. If your child would like to perform musically, please email melodyberryman@sbcglobal.net before **AUGUST 18**.

WHAT WE DO

The CLC Children's and Youth Services Department is devoted to celebrating the spiritual development of each child we teach. All age groups are involved in various activities, workshops, and special projects incorporating the teachings of Science of Mind. We strive to create an atmosphere of love and kindness in our words and actions toward each other and to recognize and honor the diversity of every person.

- **Toddlers** (18 mos. to age 3) are lovingly cared for by our toddler teachers. In their very artistically designed Discovery Room, the children are encouraged to interact and experience their world as only a toddler can. They are offered games, toys, books and other age-appropriate activities in a safe, secure and loving environment.
- **4-6 age group.** Beginning around the age of 4, our toddlers are moved to the Ingenuity Room. This group begins to learn the basics of treatment and the value of giving a smile and a kind word. Our creative teachers provide age-appropriate instruction and activities.

- **7-12 age group** are in the Quimby Room, regularly practicing the steps of Treatment presented in a manner appropriate to their age group. The teachers provide learning tools, creative projects, workshops and other teaching methods to engage each child's learning of the principles of Science of Mind.

- **13-17 age group** meets on the second floor of the Learning Center in the Hopkins classroom. They are engaged in special projects, workshops, have guest speakers and are involved in several volunteer service endeavors at CLC. The teachers working with this group encourage their talents, keep them engaged in learning Science of Mind principles and we throw in some fun along the way!

TEACH OUR CHILDREN WELL...

We teach our children that God is Life—the Life within each of them and in all Creation—that all people are children of the One God, and therefore, are all brothers and sisters. • We teach that God is all-inclusive and we are each created in the image of God—Good. • We teach that God is Love, and we honor God-in-all through love, not fear. • We teach that sin is simply a mistake and when we make mistakes, we are punished by them, not by God. • We teach that God is Spirit and present everywhere, that this Spirit is within us and speaks to us through our minds when we are willing to listen. • We teach that there are spiritual laws that must be understood and followed, just as we follow human laws. • We teach that religion is something to be used every day, not just on Sundays. • We teach that Religious Science is a religion that can be used at home, at school and at play; that since God is within us, heaven is also within us, that is we learn to live our lives in harmony with God's Law, we live in heaven now. • We teach that keeping the mind focused on good causes a richer experience of life. • We teach that God is truth and beauty, peace and harmony; that as we grow to be more like God, our lives will be filled with health, happiness and success. • We teach that nothing is too wonderful to happen, nothing is too good to be true: everything is possible to God through *me* and you!

Great day in the morning!

We lost count after 110 households and 416 clients received support through us from the Montgomery County Food Bank on August 17th. It was hot, strenuous and joy-filled work for the 24 CLCers who dealt with a last-

minute date change and stepped up to serve our food-insecure neighbors in the Tamina/Oak Ridge area. Huge thanks to our leadership team and everyone who did the heavy lifting and other tasks to carry it off.

These events will be held quarterly, the next being **SATURDAY, NOVEMBER 23**, again at the Oak Ridge High School Ninth Grade Campus, with times TBA. For more on this, contact CLC food initiative coordinator **Ruth Catalogna** at **racatalogna@hotmail.com**.
