CREATIVE LIFE SPIRITUAL CENTER • SINCE 1985 • "I NEVER KNEW THERE WAS A PLACE THAT TEACHES WHAT I'VE ALWAYS BELIEVED!"

## Taizé service with Rev. Marsha Lehman

Try out a Wednesday evening service that is informal, contemplative and therapeutic, an American New Thought version of a French worship service that began in the Taizé community. (The Taizé Brothers' vision is one of trust on earth and a hope of reconciliation among all people.) This service, created by minister Marsha Lehman, will begin as you enter quietly at **7:15PM**. You will experience 45 minutes of spiritual nurturing through a calm, peaceful flow of music, guided meditation, comforting prayer, special readings and chants, pauses of silence, and encouraging affirmations. Upon departing you may find that you have more focus, deeper and easier breathing, and a heartfelt gladness that you attended. It's **WEDNESDAY, FEBRUARY 5** in the Great Hall. Appreciative giving.

## February 2020

"...nothing delights the mind so much as fond and loyal friendship. What a blessing it is to have hearts that are ready and willing to receive all your secrets in safety, with whom you are less afraid to share knowledge of something than keep it to yourself, whose conversation soothes your distress, whose advice helps you make up your mind, whose cheerfulness dissolves your sorrow, whose very appearance cheers you up!"

## Nicolle Zultowski special Wednesday speaker

Nicolle Perrotto Zultowski is another being of light energy just like you. She is an intuitive muse and an integrative health coach and practitioner professionally utilizing such methods as acupuncture and Oriental medicine, yoga, bodywork and energy work, and art. The only way to get her to sit still as a child was to allow her to engage in creative endeavors and then writing and reading as she got older. She is currently writing a book with science, stories, action steps, home-made mindfulness drawings, 9 steps intended as a spiritual and practical guide to self-growth (with plenty of encouragement and support). Nicolle draws inspiration from quantum physics, ancient healing techniques, heart math (heart brain coherence), and was deemed a Renaissance artist while on study abroad in Italy during her undergrad. She has over 20 years professional experience, is an athlete, enjoys crafting meals, loves to be in nature, and a mother. Today, Nicolle would like to share her service with you in group classes in Acu-Yoga and Mindful Expressions; movement and art as therapy. Nicolle feels that art is everything—math, science, healing—and is a conduit for our self growth and connection. Movement is another expression of art that allows the body and brain to be healthy promoting self confidence, intentional focus, creative freedom and brain/body/heart balance. Nicolle speaks **WEDNESDAY, FEBRUARY 26** at 7PM.

## IMBOLC

## ritual circle

Join Natalie "Fox" Maisel and our CLC ritual tribe building community in magical ways through ritual, meditation and sacred circle, on **SUNDAY, FEBRUARY 9** at **9:30AM**. This day we honor Imbolc and the triple Goddess, Brigid, in a sabbat that's traditionally a time of cleansing and purification so please feel free to bring something to add to our healing water rite such as herbs, essential oils, or healing crystals. Natalie has been leading Pagan circles for 20 years. She considers herself an eclectic Wiccan and her groups are open to all men and women. She currently leads half-day Goddess Immersion Playshops in the Montrose area for each season and hosts a co-ed group called H-Town God/esses for the eight yearly sabbats. She's traveled extensively to sacred sites all over the world with amazing authors and has guided audio rituals on Amazon. Blessed be! [foxusmaximus@gmail.com](mailto:foxusmaximus@gmail.com)

## SUNDAY CIRCLES

Children begin their learning adventures in the registration area in the youth foyer, **10:15-11AM** on **SUNDAYS**, then move to their classes, to be reunited with their parents in the Great Hall in time for the closing song. Some Sundays we offer special theme workshops for the kids, too. Age-appropriate prayer/treatment opens all the classes, and for each class there is age-appropriate discussion of the monthly theme and creative projects to

enhance the learning. Just after noon all the teachers and children gather in the reception area of the Learning Center for our closing prayer circle. Then the teachers bring the children to you in the Great Hall. Please remember that no youth are to roam the Center grounds unattended, and that we have service audio in the babies' room at the rear of the Great Hall.

Marsha Lehman at [xlr8coach@aol.com](mailto:xlr8coach@aol.com) is our coordinating Sunday minister, assisted by practitioners Linda Clesson and Marissa Mijal. Debra Morwood at [debramorwood@sbcglobal.net](mailto:debramorwood@sbcglobal.net) is our youth minister and chaplain.

## TEACH OUR CHILDREN WELL...

We teach our children that God is Life—the Life within each of them and in all Creation—that all people are children of the One God, and therefore, are all brothers and sisters. • We teach that God is all-inclusive and we are each created in the image of God—Good. • We teach that God is Love, and we honor God-in-all through love, not fear. • We teach that sin is simply a mistake and when we make mistakes, we are educated by them, not punished by God. • We teach that God is Spirit and present everywhere, that this Spirit is within us and speaks to us through our minds when we are willing to listen. • We teach that there are spiritual laws that must be understood and followed, just as we follow human laws. • We teach that religion is something to be used every day, not just on Sundays. • We teach that Religious Science is a religion that can be used at home, at school and at play; that since God is within us, heaven is also within us, that is we learn to live our lives in harmony with God's Law, we live in heaven now. • We teach that keeping the mind focused on good causes a richer experience of life. • We teach that God is truth and beauty, peace and harmony; that as we grow to be more like God, our lives will be filled with health, happiness and success. • We teach that nothing is too wonderful to happen, nothing is too good to be true: everything is possible to God through me and you!

—adapted from a work by **Dorothy Quigley**

## WHAT WE DO

The CLC Children's and Youth Services Department is devoted to celebrating the spiritual development of each child we teach. All age groups are involved in various activities, workshops, and special projects incorporating the teachings of Science of Mind. We strive to create an atmosphere of love and kindness in our words and actions toward each other and to recognize and honor the diversity of every person.

- **Toddlers** (18 mos. to age 3) are lovingly cared for by our toddler teachers. In their very artistically designed Discovery Room, the children are encouraged to interact and experience their world as only a toddler can. They are offered games, toys, books and other age-appropriate activities in a safe, secure and loving environment.
- **4-6 age group.** Beginning around the age of 4, our toddlers are moved to the Ingenuity Room. This group begins to learn the basics of treatment and the value of giving a smile and a kind word. Our creative teachers provide age-appropriate instruction and activities.
- **7-12 age group** are in the Quimby Room, regularly practicing the steps of Treatment presented in a manner appropriate to their age group. The teachers provide learning tools, creative projects, workshops and other teaching methods to engage each child's learning of the principles of Science of Mind.
- **13-17 age group** meets on the second floor of the Learning Center in the Hopkins classroom. They are engaged in special projects, workshops, have guest speakers and are involved in several volunteer service endeavors at CLC. The teachers working with this group encourage their talents, keep them engaged in learning Science of Mind principles and we throw in some fun along the way!
